

IMPORTANT INFORMATION PLEASE READ

To make your visit to Snugglepotts as enjoyable as possible we have fitted our toilets with the S10 Anti Bacterial Hand Dryer.

At Snugglepotts we pride ourselves in providing pleasant, hygienic, trouble free environments throughout our centre.

Please take the time to wash your hands thoroughly using the soap provided, then use the S10 Anti-Bac Hand Dryer to quickly & hygienically dry your hands.

By using the washing & drying systems provided in this washrooms you help save our environment & reduce the spread of harmful bacteria.

If your visit to our washroom has been unpleasant for any reason please let us know.
